

# Monster Boots and Mitts

The lime green textured yarn used for this boot-and-mitt ensemble looks like funky monster skin when knitted, complete with knobles, warts, and all. The cotton mix fibers are very soft and snuggly. And when a job's worth doing, it's worth overdoing ... so add a full set of long red monster claws for that perfect finishing touch.

## CHECKLIST

### YOU WILL NEED

- pair of size 3 (3.25 mm) needles
- pair of size 6 (4 mm) needles
- 2 (2:2) 2 oz (50 g) balls textured (light worsted-weight) knitting yarn in color A (green)
