The Penguin History of American Life is a series ranging across all of American history, selected by an editorial board consisting of some of our most eminent historians. The series embodies the interdisciplinary and integrationist ambitions of the field's best practitioners; their understanding of the permeability of traditional geographical, ethnic, and cultural boundaries; the utility of blurring conventional categories of historical writing; and the impossibility of isolating subjects like race and gender.

Books in the series employ different tools and methods and tackle a variety of topics, but they are all characterized by lively prose, trenchant analysis, and a persistent engagement with the most pressing questions about the American past.

The Penguin History of American Life will enrich our collective historical understanding, bring new voices and perspectives into wider view, and bring a great number of readers to works of American history that would otherwise escape them.

FORTHCOMING TITLES

James R. Barrett

AMERICANIZATION FROM THE BOTTOM UP Irish Americans and the Making of a Multicultural Urban Society

A history of Irish-American urban life that explores the relationship between the Irish and other immigrants, with a focus on the institutions that shaped urban society, from the street to the parish to the stage.

Richard D. Brown

THE CHALLENGE OF EQUALITY IN THE EARLY REPUBLIC

Explores the contested history of racial and ethnic equality as Americans considered the full implications of their declaration that "all men are created equal."

Kristin Hoganson

PRAIRIE COSMOPOLIS

A history of the Great Plains that examines the region's multifarious connections with the rest of the planet, and tells the story of the relationship between the "heartland" myth and the reality of this profound connection.

Frederick Hoxie

CHALLENGING THE STATE American Indians and the "Empire of Liberty" 1800-2000

A history of Native American engagement with the American legal and political system that opens with the removal crisis of the 1820s and closes with contemporary debates over Native American tribal sovereignty.

Stephen Kantrowitz

THE CRADLE ENDLESSLY ROCKING The Radical Reconstruction of the North, 1840-1900

A history of the long struggle against racial injustice in the North, from abolitionism through Reconstruction and its demise.

Alexander Keyssar

THE RULES OF THE GAME

A study of the history of major electoral rules and processes in the United States from the early nineteenth century to the present.

Joe W. Trotter

UNTITLED on African-American Urban History

A synthesis of African-American urban history, examining the history of black urbanites from the colonial era to the present.

Daniel Vickers

LORD OF ANOTHER MAN'S PURSE Credit and Economic Culture in Early America

A history of credit relationships in the United States, from the time of settlement to the onset of industrialization. Dealing with exchange in both commercial and neighborly modes, the book places credit at the very center of pre-industrial economic culture.

CURRENT TITLES

James T. Campbell
MIDDLE PASSAGES

AFRICAN-AMERICAN JOURNEYS TO AFRICA 1787–2005
 “Campbell provides an artful reconstruction of the often bittersweet experience of return and reunion...that deepen[s] our understanding of national identity and the burdens of race.”—Raymond Arsenault, *The New York Times*.
